Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract/Policy.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits, except for AD&D benefits.

All benefits are subject to Pacific Blue Cross approval and Customary maximums set by Pacific Blue Cross.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) and Blue Cross Life Insurance Company of Canada (Blue Cross Life) are referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the student/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

Pacific Blue Cross
Extended Health Care (EHC)
Dental Care
**Blue Cross Life**

Please refer to the Table of Contents to help you locate the appropriate section in this booklet. If you require additional information, please contact your Plan Administrator.

Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under Government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to take all reasonable steps to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable Government plans. We will also make payment only where permitted by provincial/territorial legislation or other applicable law.

1) All claims must be submitted to us in English.

2) We pay eligible claims when we receive all the required information within the required time limits. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.

3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.
4) The necessary claim forms are available from your Plan Administrator or on our website at www.pac.bluecross.ca/member.
5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

**Duplicate Coverage**

If you and your Spouse are Members of the Graduate Students’ Society, please check with your Plan Administrator to see if Duplicate coverage is allowed for dental and extended health care benefits.

If you and your Spouse have coverage through different sources/employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enrol under more than 1 plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

**Coordination of Benefits**

If Duplicate coverage is allowed, we pay claims based on the rules of the Canadian Life and Health Insurance Association guidelines. They are:

1) The Member is always the primary claimant. The Spouse is always the secondary claimant.

2) Dependent children are always covered primarily under the parent who has the earliest birthdate in the year (month and day).

d) the plan of the Spouse of the parent in c) above.

4) Total reimbursement shall never exceed 100% of the Eligible expenses.

1) Present your ID card to your Dentist’s office. It is important to ask if your dental benefits will cover the entire cost of your treatment. To avoid any misunderstanding, we suggest that your Dentist submit an outline of the proposed services to us before you start treatment. This is important especially when your Dentist is recommending extensive dental work. This will help you understand what portion of the Dentist’s bill must be paid by you in the event that you wish to proceed with the treatment recommended by your Dentist.
2) We suggest that you submit claims within **90 days** of the completed date of services (earlier if possible). Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. However, in no event will we pay any claim or adjustment received later than **12 months** from the date the service is performed.

3) We require a separate claim form for each member of your family who has received dental services. Be sure to include the following information on the claim form:
   a) name of the Dentist
   b) name and birthdate of the person receiving the dental care
   c) your policy and ID numbers (this information is on your ID card)
   d) your home mailing address

If you or your Dependents are covered by 2 plans, your Dentist must complete 2 separate dental claim forms (1 for each plan). Incomplete claims will be returned for clarification.

4) Before your Dentist starts treatment, please ask them how billing is made. We may pay in either of 2 ways:
   a) If you have paid your Dentist directly, we will reimburse you the Benefit amount when we receive:
      i) a claim form signed by the patient that is either submitted with a receipt or is signed by the dental Provider showing the services performed and the fee charged, or

   b) For pay direct claims, we will pay the Benefit amount to the Dentist directly for services provided under this benefit plan when we receive:
      i) a claim form showing the services performed and the fee charged, signed by the patient and the dental Provider, or
